2 In this letter on pp 4-6 C.F. the Coll. points out that because the municipality was not able to shift the dumping ground as originally proposed, it should in fairness make good the net expenditure incurred by the Mission for the purpose of forming the settlement in S. No. 177/4 (the original site). This is a matter for the Mission to settle with the Council. Apparently no orders of Govt. are, ~~Apparently~~, required on this point:
